U-Hackathon 2026 · FAQs

Flow Summit · Bangkok · 15–16 October 2026

About the event

What is U-Hackathon?
A two-day hackathon inside Flow Summit, a summit about the future of finance and community. Teams build in a dedicated hall, can meet mentors, and the best projects present live on stage.

When and where is it?
Thursday 15 October, 09:30–18:00
Friday 16 October, 10:00–23:00
Avani Sukhumvit Bangkok, Thailand. See the full agenda on the first page.

Travel and accommodation

Are travel and accommodation covered?
No. The organizers do not cover or reimburse travel or accommodation.

Who can join

How big can a team be?
You can join alone or in a team of up to 4 people, including the team leader.

What if I don't have a team?
Team matching takes place at the start of Day 1, during registration and check-in (Thursday 15 October, 09:30–10:30). You can join team matching to find teammates, or choose your own team.

What to bring

What should I bring?
Your own laptop and anything else you need to build your project.

Is there a dress code?
No. Wear whatever is comfortable.

Tracks

What are the tracks?
Track 1 · AI: build any app that uses AI tools to solve a real-world problem. No Web3 experience needed.
Track 2 · Web3: build any project that can be deployed on-chain.

Can I use AI tools like Cursor, Claude or ChatGPT?
Yes, in both tracks. You do not need to show that your code was written by hand.

Project rules

Can I bring a project I started before?
No. Projects must be started at the event. Research done beforehand is fine.

What do I need to submit, and when?
Your code, pitch deck, write-up and demo website, by **Friday 16 October, 14:00**.

Judging and certificates

How are finalists chosen?
Judges choose the top **3 teams per track**, so 6 finalists in total. They are announced on Friday at 17:05–17:15.

Will I get a certificate?
Yes. Everyone who submits completed work receives a certificate of participation.
